## **Junior State Athletics Championships**

Congratulations to the four Trinity College students who competed in the AthleticsSA Junior Track and Field Championships held recently at Santos Stadium. Sprinter Jackson Potter, still only 13 years old, ran an outstanding 200m final to win gold in the u/16 age group. Jackson's time 24.75 seconds was just outside the College u/14 record. In the u/16 100m final Jackson also ran well to claim the silver medal in a time of 12.18.

New senior student to the College, James Heap, made finals in both the u/18 100m and 200m running fifth (11.62) and seventh (23.85) respectively. James will be a welcome addition to the College interschool team.

Year 12 student and experienced campaigner Katie Devlin also made finals in the u/18 100m (13.25) and 200m (27.52). This will be the sixth year that Katie has represented Trinity in athletics and we will look to her leadership capabilities in interschool competitions this year.

Brianna Fuller performed very well in her first AthleticsSA Championships. Brianna will not 14 until the end of the year, she made the final of the u/16 100m (13.76) and jumped close to her best in the long jump (4.45m) and the high jump (1.40m). It is hoped that together with Jackson Potter, Brianna and other outstanding juniors will begin a new, successful era of track and field at Trinity College.
