School Captains Report

Year 7 Retreat

On Friday Week 3, Student Leaders were lucky enough to plan and participate in the Year 7 Retreat. We started by creating the theme, and after some debate it was decided 'Transformers' would be the main theme of the day. The theme was chosen to symbolise the change that the Middle School brings, as well as to give the day a youthful feel. Throughout the day, students participated in many team building games that were run by the Student Leaders. The day was a definite success. Thanks to Chaplain Craig Loveday for his organisation of the day and also to the Student Leaders.

Sports Day Trials

On Monday 20 February, Year 10s had their Sports Day trials. It was a really fun day and everyone had a go, even if they weren't confident in that event, especially in the case of Maggie Bland who purposefully ran into the bar at high jump, just to score a participation point. Mr Cockerill did an excellent job of organising the day and everyone got to their events on time.

Also on Monday, the Year 9s and 10s had the chance to participate in the hammer throw and try to win some Sports Day points for their House. The top two placed girls came from Mitchell House, with Year 9 Katelyn Weller second and Year 10 Emma Shuttle first. Third place for the boys was Year 10 Sam Carr, second place went to Year 10 Jackson Dearing and Year 10 Adam Sawyer took out first. Well done to all of these participants on their achievements!

Sports Day 22 March

Sports Day will be a fantastic day for all students to get involved in both individual and House events. Dress up and enjoy the atmosphere and great food on offer. One of the highlights of the year, the annual Sports Day is sure to be day to remember. Look out for Hargrave House who will be selling cupcakes on the day.

Fundraisers

The Student Leadership team recently discussed fundraiser options to run this term and the World's Greatest Shave was chosen. At the moment we are trying to persuade some of the teachers at South to shave their head for this cause. So far we have been unsuccessful, but are still trying! If you would be interested in sponsoring a teacher please either email one of the Student Leaders or come and talk to us at school. Every donation helps. (Help us out and pester them about it!)

eNews

On Tuesday 21 February, Kingsford-Smith ran the pancake stall for Shrove Tuesday. They did a great job and we thank them for making it a wonderful day. Thanks also to the South Canteen ladies, who also sold pancakes. They always have fantastic food on offer including daily specials and a warm smile, so pop down, grab some food and say hello.

The Student Leadership team has also discussed a fundraiser to be held at Trinity Sunday this year. We are hoping to hold a raffle, with numerous prizes to be drawn on the day. Please keep your ears and eyes open on any notices about this as the prizes on offer will be fantastic and delicious.
