

# We Want Your Input!!

Please take the time to sit down as a family to fill in the following survey. We are looking for our families to have a greater input into our OSHC/VACATION CARE programs to build a service which can meet the needs of all children and their families.

<b>Before School Care Ideas</b>	<b>After School Care Ideas</b>	<b>Vacation Care Ideas</b>
<b>Healthy food ideas for snacks and lunches</b>		
<b>Is there anything else you would like to see happening or changing at your OSHC Service???</b>		

We really appreciate and value your families input into our programming. Surveys are great, but you are all more than welcome at any time to come and chat with any of our staff team to discuss programming ideas or anything else!

Kind regards,

Your OSHC staff Team ☺
